Mr. Martin—Journalism

Class Essentials

Below is a list of the materials you will need for class. You are to bring these in every day.

1. **Mindset**—When you are in journalism class, it is very similar to being in a newsroom. You are expected to work, collaborate, critique, and respond. You will need the mindset to accommodate this.
2. **Journal/Notebook**: In class, you will be required to take notes on the various skills/styles we tackle together each week. In order to keep this neat and tidy, a notebook/journal is a must.
3. **Folder/Three-Ring Binder**: This can be small, but you will need somewhere to store professional articles, handouts, and critiques. You will need to keep these safe so you can refer to them throughout the writing process.
4. **Electronic Device** (not required, but encouraged): In class, you will conduct research, record interviews, collaborate, and create. An electronic device (smartphone, tablet, or laptop) will give you the tools you need to succeed. If you do not have a device, I have a loaner iPad for you to use.
