

Community College/Technical/Two-Year College

Requirements:

- Admission Requirements matrix and meeting to determine requirements
- Completion of Accuplacer Study Guide and Practice Test
- Completion of all requirements for admission

Community/Technical/Two-Year College Requirements Matrix

Institution Name	Due Date	Requirements needed for application

ACCUPLACER Study Guide and Practice

Step 1: On a computer with printer access, go to:

<https://accuplacer.collegeboard.org/student/practice>

You may do this during a study hall or before/after school. If you ask nicely and it is a work time, I will allow you to leave during class to print.

Step 2: Print and complete “Classic ACCUPLACER Sample Questions”

Check your answers. Work on the skills that are work areas for you.

Step 3: Read “WritePlacer Guide with Sample Essays” and Complete Essay

Read the Prompt and view the sample essays. On your own, complete an essay to that prompt.

Rubric for Prep Project

Area for Completion	Score
Requirements Matrix/Meeting	/10
ACCUPLACER Sample Questions Completion	/20
WritePlacer Essay Completion	/20
Requirements for Admission Complete (Specialized per institution(s) chosen)	/20
Cooperation/Participation	/5
Meeting Preparedness	/5

Total: /100
